

SECTION 10 OTHER EXPERIENCES																																					
	<p>In their lives, many women have unwanted experiences and experience different forms of <b>mistreatment</b> from all kinds of people, men or women. This may be relatives, other people that they know, and/or from strangers. If you don't mind, I would like to briefly ask you about some of these situations. Everything that you say will be kept private.</p> <p>FOR WOMEN WHO WERE EVER PARTNERED ADD: These questions are about about people other than your husband/partner(s).</p>																																				
1001 a	<p><u>Since the age of 15</u>, has anyone ever hit, beaten, kicked or done anything else to hurt you physically?</p> <p>Thrown something at you? Pushed you or pulled your hair? 	<p><b><i>FINISH ONE – IF RESPONDENT HAS DISCLOSED PROBLEMS/VIOLENCE</i></b></p> <p>I would like to thank you very much for helping us. I appreciate the time that you have taken. I realize that these questions may have been difficult for you to answer, but it is only by hearing from women themselves that we can really understand about their health and experiences of violence.</p> <p>From what you have told us, I can tell that you have had some very difficult times in your life. No one has the right to treat someone else in that way. However, from what you have told me I can see also that you are strong, and have survived through some difficult circumstances.</p> <p>Here is a list of organizations that provide support, legal advice and counselling services to women in Fiji. Please do contact them if you would like to talk over your situation with anyone. Their services are free, and they will keep anything that you say private. You can go whenever you feel ready to, either soon or later on.</p> <p><b><i>FINISH TWO - IF RESPONDENT HAS NOT DISCLOSED PROBLEMS/VIOLENCE</i></b></p> <p>I would like to thank you very much for helping us. I appreciate the time that you have taken. I realize that these questions may have been difficult for you to answer, but it is only by hearing from women themselves that we can really understand about women’s health and experiences in life.</p> <p>In case you ever hear of another woman who needs help, here is a list of organizations that provide support, legal advice and counselling services to women in Fiji.
